

How to Register My Pharmacy as a Collection Location Site

HPSA is operating Medications Returns Programs in BC, ON, MB and PEI and Sharps Collections Programs in MB, ON and PEI. Any retail pharmacy that is open to the public in these provinces may become a Collection Location Site.

HPSA's stewardship programs are only for post-consumer returns!

Accreditation

Have your accreditation number nearby. You will need it to fill out the registration form

STEP

Welcome to HPSA

Check your e-mail for the welcome package and write down your pharmacy HPSA ID to request containers or pickup services in the future

The Delivery

You will get an initial delivery of containers automatically! Once the containers are full, you can request a service online from HPSA's webpage
