

HEALTH PRODUCTS
STEWARDSHIP ASSOCIATION

Members of the public may return used medical sharps in any approved sharps containers at HPSA collection location pharmacies in Manitoba, Ontario and Prince Edward Island.

Approved Sharp Container: A hard shell, colour-coded, plastic container that is leak and tamper-resistant and is labelled with the universal biohazard symbol and is designed to hold needles and other medical devices that contain a Medical Sharp.

Not Accepted: Any non-conforming container such as bottles, tin cans, laundry detergent containers.
